Very First Character Trait Posters

These posters were designed to help students recognize, celebrate, and develop positive character traits. Students with these character traits are able to foster strong relationships, both with their peers and with adults in the school community.

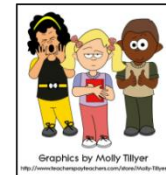

This set coordinates with my [Very First Growth Mindset Posters](#) designed to help students understand and celebrate the importance of problem solving, perseverance and learning from their mistakes.

Many thanks for stopping by and taking a look at this set!

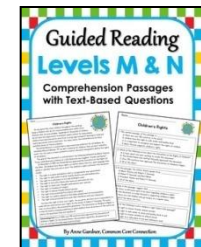

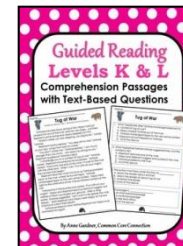

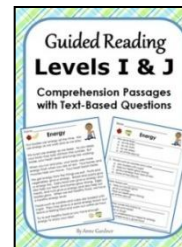

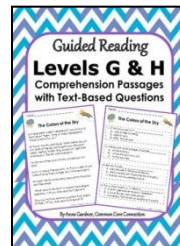

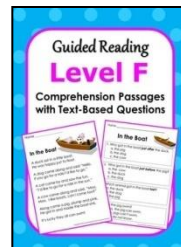

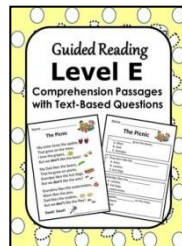

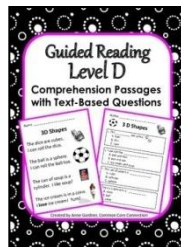

Sincerely,

Anne Gardner (NBCT, Literacy)
