I'm Lee Ann, the person behind (aka) Oink4PIGTALES.

My degree is in Early Childhood Education and I have 26 years teaching experience in PreK (5 years), 3rd grade (18 years), and am currently in my 3rd year teaching Kindergarten.

My passion for teaching began the first day I started school. My parents built me a classroom in the basement of our home. It was complete with chalk board, desks, and teaching supplies. I started creating resources at the age of six to "play school". Little did I know then, this was preparing me for a future of creating resources for myself, friends, and teachers around the world.

I've been a TpT author since 2015. These last four years have taught me so much! I offer QUALITY Common Core aligned resources for PreK-3rd grade teachers and am always looking for creative ways to meet your needs! I am so grateful to each of you who purchase and provide useful feedback on my resources! Please know YOU are OINKTASTIC to me!
